

You are cordially invited...

Natus Balance and Mobility

In association with

**CLUTEQ (Club of Utilizers of Equitest) 3rd meeting &
ESCEBD (European Society for Clinical Evaluation of
Balance Disorders) 11th meeting**

***A SPECIAL* one day seminar:**

Date: Friday, 18 September 2015

Location: Nancy, FRANCE

Registration Fee: **Course is FREE (lunch @ 30€)**

Seminar Description: The goal of this course is to provide thorough EquiTest training thereby enabling you to manage patient care effectively in the clinical environment. The primary focus of the course will relate to latest research and how Equitest can help reach a diagnosis with a full medical legal assessment, including malingering criteria scoring. Please see the detailed agenda below.

Presented by:

Art Mallinson, Ph.D.
Neuro-otology Unit
Vancouver General Hospital

Division of Otolaryngology, Department of Surgery
Faculty of Medicine, University of British Columbia
Vancouver, B.C. CANADA

**BRING YOUR COMPLEX
EQUITEST CASES FOR
